

An abstract graphic on the left side of the image. It consists of numerous small, colorful circles (dots) in shades of blue, pink, yellow, and light blue. These dots are arranged in a way that they form a funnel or cone shape, pointing downwards and to the right. The dots are more densely packed at the top and become more sparse as they move towards the bottom.

2026 APS Data Awards

Celebrating people making
an impact with data
